POULTRYMEN PROSPER

HENS SPEEDING UP PRODUCTION AND FEED PRICES FAIRLY STABLE

A poultry rancher remarked the other day that eggs are today 15c a dozen higher than they should be at this time of the year even in such an abnormal year as this. In 1909, when feed was about one-third present prices, eggs were as low as 16c wholesale on April 1st, and 20c at this time in the month. Today eggs are 45c wholesale and hens are averaging about 50 per cent. Hatching eggs bring from 6c apiece by the hundred to 15c each for prize stock. Day-old chicks, which formerly sold for 10c and 12½c, now bring 20c to 25c very readily and the demand always exceeds the supply. Broilers, fryers and old hens now bring very high prices, from 35c to 50c a pound. With all these favorable conditions, the average poultryman, if he feeds judiciously and buys right, can surely make money. The poultry and egg business is one of the great industries of the country, and large space is devoted to it in farm journals, while many periodicals are devoted entirely to the business. The care of chickens is studied far more carefully than the care of babies, and many columns are given over to wise advice on feeding and the combating of disease. Poultrymen seem entirely devoid of the petty jealousies that so often divide members of the same industry. They work together harmoniously and exchange views quite advantageously. May they prosper still more.

ECHO OF MARRIAGE BELLS

Mrs. John H. Jackson is in receipt of a message from her daughter Elizabeth announcing her marriage at 4 o'clock on Easter Day to Armistead Milner Feland at the home of the bride's brother in Chicago. Following the ceremony the young people left for Danville, Ky., where the groom owns an improved farm of several hundreds of acres and where they will make their future home.

Mrs. Jackson will return very soon to Catalina Island where she and Mr Jackson are now making their home and where they thoroughly enjoy the climate, which she pronounces wonderful in its warmth and sunshine in winter and its coolness in summer. The season has opened much earlier this year than usual and two boats which have been crowded with passengers have been running daily the past week, she says. She also reports many improvements planned and under way on the island.

JIM HENRY ILSE HOMEWARD BOUND

A very happy mother is Mrs. Hallie Ilse of 1010 East Windsor Road. She has received the following message from her son, Jim Henry Ilse:

"Arrived safe in New York Monday noon. Homeward bound soon. Love. Going to Camp Mills."

All the other mothers in Glendale whose boys have come home and all whose boys are still overseas or in camps, understand what that means and can share her joy. Jim Henry has many friends here who will rejoice in the prospect of his return. He has been in the Telegraph & Telephone Battalion.

IMPORTANT MEETING

A large attendance at the meeting of the Glendale Development Association tonight at the Intermediate school building is desired. Reports are to be given by committees on Memorial Park and Industrial District. The meeting is called for 7:30. The room should be crowded with interested citizens.

ARMY IS HOMESICK

MEN HAVE HOPES OF RETURNING HOME WITHIN FIFTY YEARS

Mrs. Ella W. Richardson has received some interesting cards, views and letters from her son, Elkanah Will Richardson, who is with the Army of Occupation in Germany. He sends Easter greetings and deplores the fact that his Easter suit this year must be olive drab. On March 26th he wrote that there was snow and rain in the section where he is located but no mud like in France. He says the Army of Occupation is a "dizzy" outfit; they all want to go home; the food is "nix" good; and they are living in the hope of returning some time within the next fifty years. When the weather is fine he enjoys his rides on horse back along the Rhine River which are a part of his duties as Military Police.

GLENDALE RESPONDS

ORGANIZATION FOR VICTORY LOAN DRIVE EFFECTED MONDAY EVENING

A meeting of Glendale citizens, which was representative, in that it was made up of patriotic residents of this city and its environs who are willing to serve in the Victory Loan campaign, was held at the headquarters of the Red Cross Monday evening. A list of those present included the following names: City Recorder F. H. Lowe and Mrs. Ralph Meeker, who have consented to act as chairmen of the men's and women's campaign committees to direct the drive in this city; W. B. Kirk, publicity chairman; Mr. and Mrs. Alexander Mitchell, Dr. and Mrs. Robert Blackburn, Ralph Meeker, L. T. Rowley, Mrs. G. D. Roach, Mrs. F. W. Kille, M. J. Brennan, Henry Johnston, Mr. and Mrs. J. C. Snell, Roy D. King, Mrs. H. J. Horn and Mrs. W. R. Letton.

The meeting was called to order by Mr. Kirk, who explained the difficulties which had been experienced in securing chairmen and workers for this, the last of the Liberty Loan drives and which represents an obligation binding upon the American people and which no patriotic citizen would seek to evade. He stated that the apportionment for Glendale and the outlying district of Casa Verdugo and environs is $182,000, which, if limited to the population of Glendale, would represent a per capita of $15.

He spoke also of the unselfish service rendered by many Southern California citizens, referring especially to J. B. Coulston of Pasadena, head of one of the largest banks in this part of the state, who was at the head of the Red Cross in this country for a number of years, who then went to France at his own expense and had charge of one-sixth of the Red Cross work in Europe. He had no sooner gotten back to this country than he was shoved into the chairmanship of this drive. Mr. Kirk pointed out that the government must have this money and it is up to the people of the country whether they furnish it voluntarily by the purchase of bonds on which they will receive interest, or pay it in war taxes

Mr. Kirk also referred to the fact that the Victory Bonds run for but four years, that they bear 4 3-4 per cent interest and that in the opinion of financiers with whom he has discussed the matter, they will go to a premium which may make them the equivalent of a 6 per cent investment. He referred to the fact that Mr. Brennan, who was present, had already sold over $1,200 worth of bonds and said he believed if it is presented in the right way canvassers would have no difficulty in persuading Glendalians to make such a gilt-edged investment. He also said the banks of Glendale had agreed to loan money to investors who wished to purchase on installments as heretofore.

Mr. Mitchell, who spoke later, said he hoped there would not be too heavy a draft upon the banks, because to the extent to which their funds were absorbed for the Victory Loan would their loaning ability for local enterprises be reduced.

Judge Lowe was introduced as chairman of the men's committee and made a patriotic speech, in which he expressed the conviction that Glen-

TAKE IN BIG TREES

MR. AND MRS. CHARLES INGLEDUE RETURN FROM TRIP TO SANTA CRUZ GROVE

Mr. and Mrs. Charles Ingledue, who left last Tuesday by auto for the north over the coast route went as far as Santa Cruz where they visited the big trees and then came home by the Valley route through Hollister, Los Banos, Tulare, Bakersfield and Mint Canyon. They were accompanied by Mr. and Mrs. Ray Whitney and daughter Leota, friends from Northwestern Ohio who are their house guests. To them it was a great and novel experience as they camped every night but one in the open, sleeping on the ground. Barring a few punctures and one broken spring, they had very good luck. One of the pleasantest features of their trip was their entertainment in the Auto Camping Park provided for tourists by the City of Tulare where they found camp stoves, nice shade, electric lights, dressing stations and other comforts with an attendant in charge. Mr. Ingledue thinks it is something Glendale should have and which would be immensely appreciated by the auto tourists whom we should seek to interest in our city. They got home Saturday evening at 10 o'clock.

LOS ANGELES WELCOMES 364TH

ARRIVES THIS MORNING AT NINE O'CLOCK AND PARADES DOWN-TOWN DISTRICT

(Special Service to Glendale Evening News)

Los Angeles, April 22.—Over 1,100 officers and men of the 364th Regiment arrived here at 9 o'clock this morning. An hour later they paraded through wildly cheering crowds in the business district and were officially welcomed at formal ceremonies at Pershing Square. The afternoon and evening were given over to the men to visit friends and relatives.

In the Ypres-Lys offensive the regiment's casualties were: Killed, 34; wounded, 100; gassed, 6; missing, 1.

The regiment's total casualties were 1,011.

The companies arriving this morning were: Regimental headquarters, headquarters company, machine gun and supply companies, Companies A, B, I, K, L and M, and a medical detachment.

"CALIFORNIA SHOULD BE PROUD"

THUS WIRES MAJOR GENERAL JOHNSON, COMMANDER OF 91ST DIVISION, TO GOVERNOR STEPHENS

(Special Service to Glendale Evening News)

Sacramento, April 22.—Major General Johnson, commander of the 91st Division, today wired Governor Stephens:

"The people of your state have reason to be proud of the record of the 91st Division. The division has demonstrated that no better soldiers exist than can be made of young American citizens."

WITHDRAWAL OF ITALY FROM CONFERENCE

JAPAN AND CHINA PRESS CLAIMS REGARDING TIEN TSIN AND SHANTUNG BEFORE "BIG FOUR"

(Special Service to Glendale Evening News)

Paris, April 22.—The Japanese and Chinese representatives presented their claims, particularly regarding the Tien Tsin and Shantung peninsula at this morning's meeting of the "Big Four."

Italian Premier Orlando did not attend the meeting, apparently clinching the belief that Italy has withdrawn from the conference pending definite action on the Adriatic question. There are indications that the Italian delegates are taking a firm stand because of threatening conditions in Italy and signs that either a republican or Bolshevik revolution is impending in Italy.

It has been learned that the Chinese and Japanese attempted to reach an agreement on the subject of Shantung without placing the matter before the "Big Four," but failed.

"GERMANY DESERVES DICTATED PEACE"

SO SAYS GERMAN RADICAL LEADER BARTH IN SPECIAL INTERVIEW WITH UNITED PRESS

(Special Service to Glendale Evening News)

Berlin, April 22.—(Copyrighted, 1919, by United Press.)—Emil Barth, radical German leader, in an interview with the United Press today charged that the present German government is playing into the hands of the reactionaries, and that when peace is signed the militarists and monarchists plan to overthrow the present government and bring back the kaiser and the crown prince.

He declared that the success of such a revolution would mean that the German menace has not been removed from Europe, and said the only way to prevent the carrying out of the monarchists' plans would be a revolution of the proletariat leading to the establishment of at least a temporary proletariat dictatorship. He further declared:

"Germany can and will pay for the destruction she wrought in Belgium and France. There is plenty of food in Germany, but women and children are starving while government soldiers are getting triple rations. France is justified in fearing Germany and in demanding the destruction of militarism. The present German government is deceiving President Wilson. The Allies made a mistake by compromising the Danzig controversy, because now the German militarists think they can bluff the Allies.

"Germany deserves a dictated peace."

GOOD VICTORY LOAN REPORTS

FIRST RETURNS INDICATE WIDER DISTRIBUTION OF SALES THAN EVER BEFORE

(Special Service to Glendale Evening News)

Washington, April 22.—First reports of the Victory Loan received today indicated a wider distribution of sales than any previous loan, although the sales were smaller. The Treasury Department is pleased with the wide distribution, believing it will decrease re-sales and make a stable bond market.

AN OUTSIDE CONTRACT

BENTLEY-SCHOENEMAN COMPANY TO FURNISH $15,000 LUMBER FOR BIG RANCH

A Mr. Roberts who has recently sold out large interests in Montana, and who has come to California to develop similar industries here, has come in touch with Glendale business concerns and placed quite a contract with the Bentley-Schoeneman Lumber Company of this city. He has purchased several thousands of acres of land near Woodlake, which is about fifteen miles east of Visalia on which he expects to place about $15,000 of improvements which will include a large eight-room house, two big barns, yards, etc. Walter F. Fairchild of Glendale will oversee the work. Mr. Roberts will specialize on Hereford cattle and Percheron horses, with hogs as a by-product. He is putting in an irrigation system which will require a large amount of cement pipe.

THEIR TENTH WEDDING ANNIVERSARY

Mr. and Mrs. James B. Cohn of 336 North Orange street were delightfully surprised Monday evening by relatives who appeared at their home to celebrate the tenth anniversary of their wedding. The party included besides the host and hostess, Mr. and Mrs. A. B. Cohn, Mr. and Mrs. L. B. Cohn, Mr. and Mrs. Weisenberger, Mr. and Mrs. S. Cahn, Mr. and Mrs. S. Cohn, Mr. and Mrs. Sidney Cohn, A. Rueff, Miss Helen Rueff, F. Sampter, R. Levy, Mr. and Mrs. M. B. Cohn. Music and dancing furnished the diversions of the evening at the close of which a buffet luncheon was served.

MEN WANTED FOR JOBS

At the City Hall complaint was made by the secretaries in charge of the Municipal Free Employment Bureau that they had calls for men, some of them good, permanent positions they were unable to fill because of lack of applicants for work. Soldiers looking for jobs should register at the City Hall.

EASTER SERVICES

WEST GLENDALE METHODIST EPISCOPAL CHURCH CELEBRATES DAY

Easter services in the West Glendale Methodist Episcopal Church.

Easter Day and all its wonderful significance was appropriately celebrated in the West Glendale M. E. Church. A large profusion of lilies and white roses gave a beautiful setting to the exercises of the day. In the morning a splendid audience greeted the pastor, Rev. W. W. Cookman, when he arose to preach his sermon, taking for his subject: "The Empty Sepulchre," and in closing, when he referred to our soldier boys who had made the great sacrifice and are sleeping beneath the lilies of France

On Flanders fields where poppies grew,
The Easter lilies sprang up, too,
And shed their fragrance far and wide,
In memory of those lads who died.

The congregation was deeply moved, and tears came to many eyes. The choir sang very effectively two appropriate anthems. In the evening the church was crowded to its capacity to witness the beautiful Easter program given by the Sunday School. The recitations and songs by the various members and classes of the primary and intermediate departments were all finely rendered, and the culminating exercise of the program, which was arranged by the pastor, entitled, "The Four Angels of the Cross," was presented with the lights of the church all extinguished, except a pale blue light concealed among the flowers that banked the pulpit chancel, and casting a soft light like the rays of the moon, upon a large cross made of lilies, and the four angels who glided upon the platform and surrounded, and laid their trophies at the foot of the cross, seemed like so many seraphs dropped out of the skies. An invisible choir in the distance sang softly as each angel made her appearance. The four angels, "Love, Peace, Joy and Life" were represented by Miss Singleton, Miss Mulligan and the two Misses Milliken. The whole scene was very spectacular, and made an impression upon the congregation that will never be forgotten.

WEATHER FORECAST: Fair except cloudy or foggy tonight and in the early morning near the coast.

NEW SIERRA PRODUCT

THE HENRY-BROWN CO. TO MANUFACTURE GENUINE OLD STONE GINGER BEER

The Henry-Brown Company, manufacturers of the Sierra products, report that the 25-foot addition to their new factory on Isabel and Wilson Ave., is completed, that a fence has been put around the property, and new machinery will be installed about the 27th of the month. The interior decoration and placing of machinery will take some time and they figure it will be the middle of May before they will be prepared to vacate their present quarters which they do not want to leave until the plant there is ready to turn out bottled goods.

Besides the increased output of goods already on the market, Messrs. Henry and Browne are arranging to manufacture the celebrated old stone ginger beer according to an old Scotch formula which has never been made outside the British Isles before. It nevertheless has a vogue here and has been imported in considerable quantities. It is not a cheap drink, but is one which will appeal to a high-class, exclusive trade. It is made of the pure Jamaica ginger root, is non-alcoholic and bears no resemblance to beer. It can only be made in perfection when bottled in stone, and a large shipment of those containers has been ordered and is now on the way.

FLYING FOR VICTORY LOAN

Mrs. Maud L. Potter of 123 N. Everett street received a letter Sunday, written at Springfield, Ill., from her son, Lieut. Chas. M. Potter. He is having a fine trip with a flying circus advertising the Victory Loan. The company consists of 10 officers and 50 enlisted men. They have their own special train, carrying men and planes. They travel between cities at night, put planes together on arrival and take them to pieces for re-shipment in afternoon following the flying stunts. The company left Houston, Texas, April 9th, to visit 21 cities in 14 states and advertise the Victory Loan. Their route was as follows: To New Orleans, Jackson, Miss.; Memphis, Tenn.; Little Rock, Ark.; St. Louis, Mo.; Springfield, Peoria and Chicago, Ill.; Milwaukee and Madison, Wis.; Minneapolis, St. Paul and Duluth, Minn.; Fargo and Bismarck, North Dakota; Pierre, South Dakota; Sioux City and Des Moines, Iowa, Omaha, Neb., Kansas City, Mo.; Wichita, Kas.; Muscogee, Okla. Lieut. Potter reported fine weather so far on the trip, much cooler as they progressed northward. Is having wonderful time. The people treat the company splendidly, giving them banquets at some clubhouse or the best hotel in the city.

DEATH OF MRS. FAVOR ANN SWAILES

Mrs. Favor Ann Swailes died at her home in this city, 332 Burchett St., this (Tuesday) morning at 7:45 o'clock. She had been a resident of Glendale for about six years, coming here from her old home in North Branch, Michigan, where her son, Ellery Swailes, continues to reside. She is survived by four daughters, Mrs. Grace Taylor and Miss Clara Swailes who reside at 332 Burchett street, Mrs. R. Siple of Beaumont, and Miss Hattie Swailes of St. Paul, Minn. Mrs. Swailes was born October 27, 1843. Services will be held here which will be announced later and the remains will then be taken to North Branch, Michigan, for interment.

STILL IN ITALY

ROBERT ROWLEY TOURS ITALY FROM EAST TO WEST — EUSTACE ROWLEY SAILS FOR N. Y.

Mr. and Mrs. L. T. Rowley have been disappointed in learning that their son, Robert Rowley, is still in Italy instead of on the high seas as they hoped. Letters just received from him announce a trip he was to make from Mantua to Turin, about 600 miles across Italy from east to west and a return journey to Mantua via Milan, so they know he could not have sailed from Genoa on the 7th.

Their older son, Eustace, is sailing with his ship, "The Marblehead," from San Francisco to New York that the vessel may participate in the Victory Loan campaign there. The Marblehead is distinguished as having fired the first shot in the Spanish-American war. Meanwhile the workers in the great city are trying to put it over the top before the Marblehead gets there, and it has developed into quite a race.

GLENDALE, CALIFORNIA, TUESDAY, APRIL 22, 1919

CONTRASTS OF A HUNDRED YEARS

Napoleon standing on Mount Tabor, in Palestine, viewing a terrific combat between his dragoons and a squadron of Turks, was a historical figure, but he is eclipsed by our own Secretary Josephus Daniels standing on Vallendar Hill, along the Rhine, viewing a parade of American soldiers on the plain below. This latter actually happened one day last week. Then Napoleon had nearly all Europe and a part of Asia at his feet. Germany and Austria were lying crushed under the iron heel of France, and all was war and tumult. Then it was the fierce clashing of arms below that the lone watcher beheld. Today it is the peaceful manoeuvers of freedom's forces in a conquered Hun-land that our Josephus looks down upon. What a contrast in 100 years!

BOLSHEVISM INVADES PARIS

dale, in spite of the fact of coming into the campaign late, will go over the top as she always has done, and that the American people would have purchased Liberty Loan Bonds even if no interest had been guaranteed, that their purchases had been made in a spirit of patriotism.

Mrs. Meeker made a brief speech in which she referred to ill health which had made her reluctant to assume such responsibility until told by Mrs. Anderson, chairman of the woman's campaign committee for Southern California, that she had no choice, that she must take the chairmanship or allow Glendale to figure as a slacker in this drive.

She then told of her effort to secure captains and workers and submitted the following list of captains secured for the precincts indicated, with the understanding that these captains would enlist their assistants in the canvass:

Name	Precinct
Nellie Williams	1
Mrs. G. D. Roach	2
W. B. Kirk, Mrs. Dickman	3
Mrs. A. W. Tower	4
Mrs. E. U. Emery	5
Dr. Robt. Blackburn	6
Mrs. Alexander Mitchell	9

She reported, and Mr. Brennan substantiated, his offer to serve personally to the extent of his powers wherever assigned, and also to furnish six workers. He further stated that the Knights of Columbus had met the proposition with the greatest enthusiasm and agreed to do everything possible to put Glendale over the top. He stated that $700 of the bonds he had sold would have gone to the credit of Los Angeles had he not persuaded the purchasers to buy here and give Glendale the credit instead of taking them through Los Angeles concerns.

Mr. Mitchell emphasized the point made by Mr. Brennan and said thousands of dollars had been lost to Glendals in previous drives owing to the fact that residents purchased through the Los Angeles concerns by whom they were employed or through Los Angeles banks.

J. H. Franklin offered as a motion that the chairman and secretary request all persons who have acted as captains and workers in previous Liberty Loan drives to cover the same territory in this drive. The motion was seconded and carried.

After general discussion and announcement that drive headquarters would be secured on Brand Boulevard in a central location, and that the work would be prosecuted with vigor from now on, the meeting adjourned.

DID YOU EVER STOP TO THINK

what an inconvenient place to live in Glendale would be if there were no bank here? Hundreds of people would move away in a very short time if the banks were suddenly removed. Then, since there is in the community such an institution as the

Glendale National Bank

is it not incumbent on EVERY CITIZEN to support the Home Bank? The bank gives more free service than any other business institution and deserves the deposits of every citizen who has even a small surplus of funds.

SERVICE TO THE LIMIT

Miss Roberts, Assistant City Librarian, has returned after spending the week-end at Hermosa Beach.

J. M. Benedict of the Virginia Sweet Shop on Broadway, went to Fresno about two weeks ago and is expected back the latter part of the week.

Mrs. Danford reports that the Monday book reviews at the Library have been discontinued for the summer months and that there will be story hours for the children instituted before long, possibly two a week.

There are still many uncultivated vacant lots in Glendale. All would undoubtedly raise a great variety of garden truck, particularly potatoes and sweet corn. It is a pity all could not be in cultivation.

Mr. and Mrs. Francis Henry have returned from a very pleasant auto trip to Santa Barbara. While there they took in the Montecito drive which Mr. Henry declares reminded him much of the "old country" with ivy covered stone walls.

Gerald E. Page has severed his connection with the Burket & Goss sheet metal works and opened a shop of his own for welding and brazing at 106 Franklin Court. He is a fine workman and performs wonders in his line.

On account of increase in the work of the first grade at Cerritos Avenue, Mrs. Gute of Los Angeles has been appointed to that school. She had previously substituted at Intermediate during the illness of some of the teachers there.

Mr. and Mrs. John P. Scantling, parents of Mrs. John H. English, after spending a year in Glendale, have returned to their home in Trinidad, Colo. They will endeavor to sell their property there that they may come back, for they have fallen in love with California.

Mr. Ferguson of the Ford Agency has returned from a pleasant and very satisfactory fishing trip in which he drove his "Lizzie" up into the Matillaja country on the Ventura River about one hundred miles north of here. He says the fishing is good there but too many fishermen make too sharp competition.

Mrs. Anna L. Smith, the milliner, is closing out her stock of goods on account of ill health.

Mr. and Mrs. Hinchcliffe and daughter Lorraine leave Wednesday for Clinton, Illinois, after spending a couple of months here as guests of Mr. and Mrs. Roy Hinchcliffe and family.

Mr. and Mrs. Tom Furst of 500 North Isabel street were dinner guests Monday evening of Mr. and Mrs. George Lane of the Palm Crest Apartments, Los Angeles. Following the dinner a pleasant evening was spent with billiards and music.

Mrs. N. T. Terrill of Chestnut and Brand boulevard leaves for the east Wednesday to visit her son who is a professor in the college at Lawrence, Kansas. She was accompanied by her aunt who has been her guest this winter and who is returning to her home in an eastern state.

Mr. and Mrs. Samuel Mason of 208 E. Chestnut are planning to leave some time next month for Yonkers, N. Y., where they will make an extended visit. Yonkers was their home for thirty-seven years and as they have two sons and a daughter living there it will seem to them like going home.

F. E. Blodgett and wife of 405 E. Harvard have recently returned from a two weeks' visit to their ranch in Tulare county, near Ducor. They made the trip by auto. The ranch comprises 20 acres, half of which is in navel oranges and grape fruit. They brought back with them some samples of these fruits which are of extra large size and delicious flavor.

Miss Myrtle Tummell of 121 Milford street, who has been in the employ of the Western Casualty Insurance Company of Los Angeles for the past year, left Sunday for Vancouver, B. C., where she will assist the vice-president of the company in starting four new offices in that territory. She went by boat. Her parents think the experience will be of great benefit to her.

H. F. McPherson, well known in Glendale, who was in the army overseas as an aerial photographer and as such had some narrow escapes, is back with the Marie Osborne Company, which now has a studio at Long Beach. When in Glendale it was known as the Diando. He met with an accident through miscalculation in the maneuvering of the plane on which he was riding the day the armistice was signed and came near "going west."

Mrs. W. E. Mercer of Los Angeles came over Saturday to visit over Sunday with J. E. Peters and family, 400 West Colorado. Sunday they all motored to Riverside to call on Mrs. Mercer's son, who is connected with the Medical Corps at March Field, with the rank of captain. They took lunch at the Glenwood Mission Inn and stayed for the evening Easter service of song, which they describe as grand and thrilling.

BUILDING DEVELOPMENT

The company will soon begin erecting a $6000 house in La Canada for George M. Stoll. It has also undertaken to build a good house for W. A. Allen, of North Louise street.

The firm has also taken the contract for an $8000 brick studio and apartment building for H. E. MacMullin on Brand boulevard just north of the B. & M. Garage.

FUNERAL OF MRS. EMIL THOLEN

Arrangements for the funeral of Mrs. Emil Tholen have been completed and services will be held Friday at 3 o'clock at the Little Church of the Flowers in Forest Lawn Memorial Park, with the Scovern Company in charge. Dr. Tholen is to arrive Thursday at 8:30 o'clock. The services will be conducted by Rev. Hatch, a former resident of the Tropico district, who officiated at the funeral of Mrs. Tholen's mother five years ago.

MUSIC SECTION MEETING

The next meeting of the Music Section of the Tuesday Afternoon Club, which will be held Friday afternoon at the home of Mrs. Frank Balthis at 819 North Brand boulevard, will be French Baby Benefit Day. Miss Viola Yorba and Mrs. Frank Arnold will sing and there will be fine piano numbers by Mrs. Ferguson and others. Home-made cake and tea will be served at a small fee as a benefit for the French Baby Fund.

BIRD LECTURES

Mr. Hutchins, the "Bird Man," visited the schools of Glendale yesterday and gave some very satisfactory samples of bird songs. During the week he is to give six instructive demonstrations before pupils of the grade schools of this city under the auspices of the Nature Study and Agricultural Department of the schools, of which Miss Helen White is the head. These will be limited to pupils and teachers that the children may have the full benefit and not be crowded. There will be a nominal charge of a few cents to defray expenses.

The first two performances will be given Wednesday afternoon for the Cerritos, Magnolia and Acacia Avenue Schools at the K. of P. Hall on Brand and Park avenue, the use of which was kindly donated by the lodge for the purpose. At 2:15 the first and second grades will be instructed and entertained for an hour. At 3:15 the same demonstration will be given pupils of the higher grades of those schools.

Two similar entertainments will be given in the auditorium of the Intermediate School Friday for Doran, Pacific Avenue, Colorado, Broadway and Intermediate pupils, the lower grades at 2:05 and the upper ones at 3:15.

The third demonstration will take place Thursday afternoon at Central Avenue School for the pupils of that school and Columbus Avenue who will meet at 2:15 and 3:15 as in the other schools.

Miss White considers it a great privilege for the schools to secure Mr. Hutchins not alone because he can give such valuable instruction in regard to birds, but because he emphasizes the need to protect them and not wantonly destroy these feathered citizens of the air.

CUBS WIN 11 TO 6

Today's game in the Major League series, which was played at noon on Intermediate field, was between Cubs and Giants.

Tom Morgan pitched for the Giants, Harry Blanchard for the Cubs.

In the second inning Tom Morgan made two home runs and at the end of the inning the score was 4 to 1 in favor of the Cubs.

In the fourth inning the Cubs changed pitchers and Harold Thompson took the pitcher's box. The final score was 11 to 6 in favor of the Cubs.

PATTERN REBATES

As stated in a recent issue, the Williams Dry Goods Store has adopted the Pictorial Review patterns and recommends them to patrons because they are not extreme, but are adapted to the every-day use of the average patron and because the designs are attractive. Patterns for girls' dresses, for example, are girlish. Four times a year a fashion book is issued by this Company which costs but 25 cents an issue and contains advanced designs, but each issue also contains a ten-cent coupon which can be applied on the purchase of any pattern carried in stock. That means all the patterns issued by the Pictorial Review except novelties such as animal patterns, doll patterns, etc., seldom called for. 196t1

The Glendale Evening News is in receipt of a communication from Mrs. Pearl C. The item was communicated to the News by telephone from some one representing herself to be Mrs. Guthrie and was accepted in good faith by the paper, which regrets that there has been any mistake in regard to the matter.

HE KNEW DIFFERENT

Teacher was warming to her subject and, laying down her book, said: "Now, you all understand that the trunk is the middle part of the body, don't you?"

"Yes, ma'am," chorused the class with one exception.

"You understand it, too?" asked the teacher of the boy who had not answered.

"No, ma'am, because it isn't so."

"Why, my boy, what do you mean?"

"Well," replied the boy, "you ought to go to the circus and see the elephant."

NEARLY THROUGH

A visiting brother entered a Lodge in the middle of a lecture and seated himself in the rear of the room. After a while he began to fidget. Leaning over to an old brother at his side, evidently an old member of the Lodge, he whispered:

"Who's the guy?"

"That's the S'preme Editor."

"How long has he been lecturing?"

"Three or four years, I believe," the old brother answered, "I don't know exactly."

"I'll stay then," said the stranger. "He must be nearly done."

ONLY NATURAL

Teacher: "And the father of the prodigal son fell on his neck and wept. What did he weep for?"

Pupil: "I guess you would weep, too, if you fell on your neck."

MERCY!

"I must tell you a secret," said confiding Trottie to her girl friend. "Do you know that Tom was wearing my photograph over his heart at the front the other day and it stopped a bullet?"

"Well, dear," answered the friend, looking at Trottie, "I am not surprised."
